

PTA BOARD MEETING  
February 2, 2016  
9:30a.m.

Members present : Sarah Miller, Christine Alt, Alison Hansen, Carrie Neilson, Jessi Schurtz

Welcome and Pledge by Sarah Miller.

Review of minutes from January 5, 2016 meeting. Minutes approved by Christine Alt; seconded by Sarah Miller.

Budget review by Carrie Neilson.

Talent Show was a success! Some recommendations for next year would be for the displays to be located in the back of the gym for more people to see and maybe make an announcement for the audience to remain seated during the performances! We have received a lot of positive feedback, the students loved displaying their talents!

Moms and muffins is coming up on Feb 19th - Shelley will order **560 milk** and Christine will order and pick up **24 doz muffins** from Costco.

SEPs are Feb 22-24. Rolaina will have snacks for the teachers in the faculty room all 3 days.

Sarah had a brochure about the dangers of Vapor cigarettes. There has been a lot of information coming in about the health risks and damages; these are hugely popular with our kids! We would like to do a workshop during school hours/after school to inform our students as well as parents. Also, we would like this to be implemented into Red Ribbon Week next year!

Spell-a-thon test is March 26. Teachers need to be getting lists ready to go out to students and notes need to be going home to parents! This has the potential to be a good fundraiser for us! We need to get the teachers excited and really push this!

The Spring Carnival is scheduled for April 1st. This is also an important fundraiser for us! We are going to spend the next meeting (March 1st - mark your calendars!) planning this carnival. We would really like to make this successful - we need all of your input! If anyone knows of some fun games, or special talents, or past successes, please let us know!!!! We also need to contact Kohl's to see if they will send volunteers, and make a donation to the PTA as they have in the past years. Pre selling pizzas and punch cards worked out great and we will do that again this year!

Meeting adjourned @ 10:15a.m.
