

One of the goals of the Washington Elementary Title I Program is to develop a strong school / family partnership.

This Home/School Compact outlines the responsibilities of the home and school to help all children meet high academic standards.

The Home/School Compact gives parents an opportunity to be more involved in their child's education.

At Washington Elementary
We work hard and are nice.
We are respectful, honest and helpful.
We allow others to learn.
We do things that help and not hurt.
