

## WES Community Council Minutes

October 1, 2020

In attendance: Amber DuBois, Brandon Bulow, Kelly Mitchell, Andi Davis

7:42 – Mr. Kelly Mitchell welcomed everyone and introduced the new members. He explained how the council works and how we have allocated the funds from school trust lands in the past. Last year, we were able to provide a full time Science teacher and place reading paraprofessionals in the lower grades. It is up to the council to determine how to spend the money based on our areas of weakness and concern. Mr. Mitchell explained the connection that Community Council has with Title One. The council serves as the parent group for Title One.

7:47 - April Heath presented the Title I Parent Engagement Policy and Parent Compact for review. Both are posted on the school website in English and Spanish and were sent out to parents during parent teacher conferences.

7:51 - Brandon Bulow sent a text out to Brandon Mitchell and Kameron Bundy to see if they have any nominations for Chair and Vice Chair. Amber DuBois was nominated as the Chair. The council voted unanimously in favor of Amber being the Chair of the Washington Elementary Community Council.

Brandon Bulow was nominated by Kelly Mitchell to be Vice Chair. The council voted unanimously in favor of Brandon Bulow being the Vice Chair.
